

## Before you vote

You need to *register to vote*.

You only need an email and a password and you only need to register once.

1. Visit the explore page and find the project you would like to vote for. Click vote.
2. You are now on the *log-in* screen. If you are voting for the first time, follow the simple instructions to register to vote.

Note: You must click on the link and register first before you vote.

3. You are now on the *registration screen*. Enter your email address and create a password. Type it twice.
4. You will receive an email with a link to activate your account. Click on the link.
5. You're done! Your account is now active.
6. Visit and explore. Find your favourite project. Enter your new 'username and password' and vote.

Remember, you can vote once every 24 hours for every project. Come back often.

Thanks for your support!
